Ina mauria ngā pēpi kia moe i te taha tonu o ngā mātua i runga moenga, ka kīia tērā he moe takirua.

Ko te wāhi haumaruru rawa mō te pēpi hei wāhi moe mōna, ko tōna ake wāhi moe haumaruru. Kāore te Red Nose e tūtohu ana i te moe takirua (arā, te moe i runga i te moenga kotahi); heoi anō, e mōhio ana mātou e kōwhiri ana ētahi mātua ki te moe takirua, ā, mō ētahi atu e moe takirua pokerehū. Kite kōwhiri koe ki te moe takirua, he mea nui kia mōhio koe me pēhea te whakaiti i ngā tūraru i te mea hoki he mea tino mōrearea te moe takirua. Ka taea e tēnei aratohu te āwhina.

Whāia ēnei āki hei whakaheke i ngā tūraru

Me whakatiraha tonu i te pēpi ki te moe

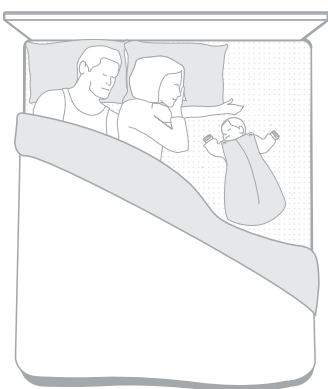

Whakawāteatia he wāhi moe kia moe ai a pēpi

Me mātua whakarite kāore e taupokina ana te kanohi me te upoko o pēpi

Herea ngā makawe roa me te tango i ngā kahurangi katoa tae atu ki ngā mau kakī niho

Me mātua whakarite he mārō, he papatahi anō hoki te whāriki moenga

Whakatirahatia te pēpi ki te taha o tētahi o ngā mātua – kaua rawa e meinga i waenganui i ngā pakeke e rua, i te taha rānei o ētahi atu tamariki, kararehe rānei

Me mātua whakarite kāore e taea e ō pānga moenga me ō hīti te taupoki i te kanohi o pēpi

Nekehia atu te moenga i te pakitara – kia kore ai a pēpi e mau ki waenga i te moenga me te pakitara

Whakamataratia ngā urunga i te wāhi moe o pēpi

Whakamahia he pēke moe haumaruru kāore he huri, ā, e whātoro atu ana i ngā ringa o te pēpi – kaua e tākai, e puni rānei i a pēpi

Āhea me kaua e moe takirua

I ētahi tūāhua, he tino mōrearea te moe takirua mō te pēpi.

Kua hiāmoe rawa koe, kua māuiui rānei

Kātahi anō ka pau i a koe, i tō hoa rānei te waipiro

Mehemea ko koe ko tōu hoa rangatira rānei e kai hikareti ana, kaua e kai hikareti i te moemanga

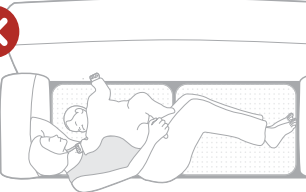

Kua kainga e koe, e tō hoa rānei ētahi rongoā e whakahiamoe ana, e whakaware ana rānei i a koe

He kōhungahunga kokoti tau a pēpi, e iti ana rānei a pēpi mō tōna tau hapūtanga.

He tino hīrokiroki ēnei tūnga moe takirua ā, me karo ka tika

E mihi atu ana a Red Nose ki ngā mana whenua o ngā whenua tātou e mahi ana, e noho ana, e toro ana hoki.
