

Thank you. Your generous support will help Red Nose save little lives by funding vital research into sudden and unexpected death in infants. It will also help reduce landfill and waste in your local area.

Who are Red Nose?

Red Nose is an Australian registered charity that for over 40 years has relied on the generosity of the community to help reduce sudden and unexpected death in babies and children, including SIDS, stillbirth and fatal sleep accidents.

How will my clothing donation help?

- Fund vital research into possible causes and prevention of sudden unexpected death in infancy and stillbirth
- Provide bereavement support services to Australians impacted by the death of a child
- Ensure all Australians have access to evidence-based safe sleeping education and resources

Red Nose, to date, has:

- Invested \$16.83 million into research
- Saved 9,967 lives through safe sleeping education
- Provided ongoing support to those impacted by the death of a child

Collection of your donation bag:

- Leave your secured bag on your nature strip by the collection date provided
- Register your bag for collection by visiting our website or calling us on 1300 473 366
