“I really struggled with the fact that I couldn’t ‘fix’ it. I knew I was about to embark on a lifetime without our daughter. And I didn’t know how to express my grief, because I hadn’t seen any other dads express how they felt after losing a child. I knew I needed help to get through this.

The compassionate people at Red Nose guided me through the grieving process and gave me confidence to share my story.”

Matt – Wren’s dad
